A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The Los Feliz Neighborhood Council does not support the appointment of Jeffrey Skobin to the Los Angeles Board of Police Commissioners. Jeffrey Skobin is currently the Vice President and Chief Marketing Officer at Galpin Motors, which has served as a vendor for over \$750,000 of purchases to the city of Los Angeles, and possibly to the Los Angeles Police Department directly, posing a significant conflict of interest in what is intended to be a community oversight position. Additionally, Mr. Skobin has personally donated \$1,000 to Councilmember John Lee's defense committee to defend against ethics charges, donated \$15,000 to the LAPD in 2017, has accepted gifts from LAPD Senior

Lead Officers in the past three months, and has over \$100,000 in investments currently in the LA Police Federal Credit Union. Mr. Skobin owns over \$1,000,000 in rental properties, and could directly benefit from malfeasance in this role in the form of LAPD eviction enforcement. Mr. Skobin has no relevant experience to serve on the Board of Police Commissioners and would be unrepresentative of the communities he would be tasked with representing and protecting.
