**Council File No:** 25-1200-S60

**Comments for Public Posting:** Dr. Daniel "Danny" Tabor is an excellent choice for the Los Angeles Police Department Commission, and I strongly support his nomination and encourage an 'aye' vote. Dr. Tabor has served on the Move LA Board for nearly 18 years and as the President of our Board for the past seven years. Danny also serves on the LAANE Board and is a former city councilmember and mayor of the City of Inglewood. Danny has been an incredible presence on our board, a constant presence in his current community of Leimert Park, and a longtime advisor and mentor to me personally. His relationships, wisdom, and understanding of Los Angeles have been vital to Move LA's work, and he has played a critical role in advancing key measures from R (2008), M (2016), ULA (2022), and A (2024). Danny's presence is felt in his neighborhood of Leimert Park — you can regularly find him walking the streets, talking with residents and business owners. He is continually engaged in the community and understands the important partnerships among businesses, residents, public safety, and public services such as parks, public transit, street services, and more. Danny has mentored hundreds of students as an educator with multiple appointments at community colleges and high schools in LA. His students love him and he has shown the importance of public service--a key skill for an LAPD commissioner seeking to recruit the next generation of law enforcement officers. Please support Danny's nomination to the Commission. Thank you.
