**Comments for Public Posting:** I am writing to express my strong and enthusiastic support for the appointment of Dr. Daniel Tabor to the Los Angeles Police Commission. At a time when the Commission is facing serious challenges and requires principled, experienced leadership, Dr. Tabor is exactly the right person for this important role. His career reflects a long and distinguished record of public and private service, grounded in community advocacy, accountability, and collaboration. I have known Dr. Danny Tabor for nearly fifteen years through his involvement on the Move LA Leadership Board. Over that time, I have had the opportunity to work alongside him and witness firsthand his integrity, and unwavering commitment to advancing policies that serve the public good. As an educator and civic leader, Dr. Tabor brings a thoughtful and measured approach to public service. He demonstrates a clear and consistent commitment to transparency, public trust, and effective oversight. It is my belief that his perspective and experience uniquely equip him to contribute meaningfully to the work of the Police Commission during this critical moment. Following Mayor Karen Bass's nomination, the Public Safety Committee unanimously approved Dr. Tabor's appointment. As his nomination moves to the full City Council on Friday the 16th, I respectfully urge you to vote in favor of his confirmation. Dr. Daniel Tabor's leadership, experience, and deep commitment to the people of Los Angeles are greatly needed at this moment. I am confident he will serve with distinction. Thank you for your time and consideration. Sincerely, Marisa Garcia Activism Director Move LA
