**Comments for Public Posting:** Hello! Hope all is well. I'm asking you to vote NO on the City Attorney's request for another \$12 million in outside legal contracts, including \$850,000 more to keep fighting the Venice Dell affordable housing project. The City has already poured more than \$600,000 into opposing a development that would create homes our community badly needs. Every court challenge so far has failed, and continuing down this path only wastes public money and puts our Prohousing status at risk. Los Angeles can't afford to spend millions blocking housing when we should be building it. Please keep in mind that, unhoused/homeless could be sleeping at your doorstep. Our doorstep. Please choose fiscal responsibility and stand up for the city's commitment to affordability and inclusion.
