Comments for Public Posting: I urgently request that you vote to reject the City Attorney's request for \$12 million in additional outside counsel funding. The City Attorney has already wasted too much of the City's money. The most important example of money that would be misspent is the request for \$850,000 to continue fighting the Venice Dell Community project. The City has already wasted over \$600,000 in previously fighting this desperately needed affordable housing development. Its legal responses to Venice Dell lawsuits concerning the project have all failed. Continuing to fund this fight not only wastes taxpayer money, it risks state penalties and threatens Los Angeles' "prohousing" status. Please protect the city's fiscal health, integrity, and commitment to inclusive housing by voting no on this request. In addition, please think again about what the purpose of this hard-earned \$850,000 is: to deprive the City of affordable and low-income housing it so urgently requires. Instead of voting to fund the City Attorney's fanatic opposition, please vote to stop her in her tracks and streamline this meticulously designed and already approved project.
