

TRANSPORTATION COMMITTEE REPORT relative to implementing a Smart Loading Zone or similar curb management program.

Recommendation for Council action, pursuant to Motion (Hernandez – Hutt):

INSTRUCT the Los Angeles Department of Transportation to report in 30 days on:

- a. The implementation and outcomes of Smart Loading Zone or similar curb management programs in other municipalities.
- b. The steps necessary to initiate a Smart Loading Zone pilot program in the City to improve loading zone access and short-term delivery parking.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

On November 12, 2025, your Transportation Committee considered a October 21, 2025 Motion (Hernandez – Hutt) relative to implementing a Smart Loading Zone or similar curb management program. According to the Motion, traffic congestion, double parking, and inefficient turnover are common problems in the public right of way that impact not only circulation and traffic flow, but increase safety hazards. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion recommendation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
