Comments for Public Posting: My name is Cora. I was born and raised in Los Angeles (CD 11). I want to voice my strong support for the Small Lots, Big Impacts initiative. Housing costs have risen out of reach for many people who grew up here as well as those who want to move here. Building homeownership units on city-owned land is an impactful and common-sense way to contribute city land to solving this crisis. I ask that you approve this motion.
