Comments for Public Posting: Please stop this ridiculous carnival ride over our neighborhoods! There is one person who stands to massively benefit financially from this horrible proposal and that is the owner of the Dodger's parking lot. Put the funding towards the myriad of issues Los Angeles is struggling with. We don't need richer millionaires!

Comments for Public Posting: Support Resolution in Council File #25-1295 - NO to the LA ART Gondola Project. The city metro system is broken from unsafe bus route and roads were metro bus that can't stay on their lanes, to train that have taken homes from individual who now can't afford a new property. Metro system that has no on-time schedules, a stadium that was built on indigenous land , now want to take Chinatown!!! No on metro...No on gandola
