

TRANSPORTATION COMMITTEE REPORT relative to executing a First Amendment to Contract C-142704 with BYD Motors, LLC, to complete the installation of 10 alternating current (AC) bus chargers.

Recommendation for Council action:

AUTHORIZE the General Manager, Los Angeles Department of Transportation (LADOT), or designee, to execute a 24-month extension, from March 2, 2025, to March 2, 2027 with BYD Motors, LLC, for the installation of 10 new AC bus chargers with Charge Management System Equipment at the Compton Maintenance Facility for a total cost of \$1,075,921.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that funding for these services has been set aside in the Proposition A Local Transit Assistance Fund 2025-26 Adopted Budget. Funding for future maintenance of the chargers is subject to Mayor and Council approval, the availability of funds, and will be appropriated through the City annual budget development process. The recommendation in this report complies with the City Financial Policies in that budgeted funds are available for this purpose. There is no impact to the General Fund.

Financial Policies Statement: The CAO further reports that the action recommended in this report complies with the City Financial Policies in that the City financial obligation is limited to current appropriations. Funding for maintenance is subject to the availability of funds and determinations by Mayor and Council.

Community Impact Statement: None submitted.

TIME LIMIT FILE – JANUARY 5, 2025

(LAST DAY FOR COUNCIL ACTION – DECEMBER 12, 2025)

Summary:

On December 10, 2025, your Transportation Committee considered an October 29, 2025 CAO report relative to executing a First Amendment to Contract C-142704 with BYD Motors, LLC, to complete the installation of 10 AC bus chargers. According to the CAO, the LADOT reports that construction has reached substantial completion with only striping work remaining before the energization of the chargers in coordination with Southern California Edison (SCE) occurs. LADOT is working with SCE to schedule the power outage and re-energization exercise by early November. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
