Comments for Public Posting: I support this motion to revoke the permit issued to build the concrete wall at 4311 Lincoln Blvd. I have lived in the Del Rey area over 10 years, and during all that time the community had access to the Marina bike path and the Yvonne Burke Park via the area where the wall was erected. Since the wall went up, there is no safe and convenient means for people to access the recreational and fitness opportunities in the Marina nor can people walk to the new shopping and and restaurants in the Marina.
