

MOTION

The City is nearing completion of the Reseda Skate Facility. To ensure that this facility remains an asset for Reseda and surrounding West Valley neighborhoods, the Department of Recreation of Parks has established an account to accept donations and other deposits to fund extraordinary maintenance and repair; provide youth programs and activities; and support for public engagement events, as detailed in Council File 25-1331. An initial deposit of \$500,000 to that account will support this brand-new facility and provide contingency funds for extraordinary maintenance and repair, as well as for programs and activities that are focused to the greatest extent possible on local San Fernando Valley youth and public engagement events such as the Reseda Art Walk and/or open streets events in Reseda.

I THEREFORE MOVE that \$500,000 from the AB 1290 Fund No. 53P, Account No. 281203 (CD 3 Redevelopment Projects - Services) be transferred / appropriated to the Department of Recreation and Parks Fund No. 302-89, Account 89746C for the Reseda Skate Facility.

I FURTHER MOVE that the Department of Recreation and Parks be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.
