**Council File No:** 25-1372

**Comments for Public Posting:** I'm the President of the Del Rey Neighborhood Council. The developer of this project negotiated an agreement with the DRNC in 2022 which included community benefits which would be highly beneficial to the community as a whole. The developer also made modifications to the project to make it more amenable to the community. I personally support the project and the DRNC's support is already on the record.
