Re: Applicant's Incorrect Mailing Address on CUP Determination Letter

To Whom This May Concern:

This letter serves to memorialize in writing that the correct mailing address for the applicant, B&V Enterprises is in fact 791 S Mission Rd., Los Angeles, CA 90023 and not 7901 S Mission Rd., Los Angeles, CA 90023 as listed on the CUP Determination Letter. The City Planning Department created a typo for the applicant's mailing address.

Sincerely

Wil Nieves  
Representative
