

RESOLUTION NO. 28260

WHEREAS, on recommendation of Management, there was presented for approval, one (1)-year Contract with SAP Public Services Inc., with a one (1)-year renewal option, covering software licensing fees and maintenance services for the financial accounting management information system of Los Angeles World Airports, for cost not to exceed \$650,000; and

WHEREAS, since July 2001, Los Angeles World Airports (LAWA) has used the SAP Public Services Inc. (SAP) software as the basis for its financial accounting management information system. The current version of the software will no longer be supported by SAP after 2027. In January 2025, LAWA commenced an eighteen (18)-month Oracle cloud implementation as a replacement system; and

WHEREAS, the replacement system is being managed by Deloitte Consulting LLC and has an anticipated go-live date of July 1, 2026. LAWA will maintain SAP as its system of record through June 30, 2026, and as its data backup solution through the end of calendar year 2026; and

WHEREAS, without the new contract, LAWA will only be able to maintain its current level of software licensing through December 31, 2025; and

WHEREAS, as the contract allows continued use of the current SAP critical software through the completion of the Oracle cloud implementation, sole award to SAP was determined to be the best and most feasible option. The contract will allow LAWA to maintain the software license agreement with SAP during the Oracle transition, where SAP will serve as a data backup solution; and

WHEREAS, the licensing costs associated with the contract will not exceed \$1,287,844 over the two (2)-year period; and

WHEREAS, funding for the services is included in the Fiscal Year 2025-2026 LAWA Operating Budget in LAX Cost Center 1190011 – Financial Management Systems Division, Commitment Item 520 – Contractual Services. Funding for the subsequent year will be requested as part of the annual budget process; and

WHEREAS, actions taken on this item by the Board of Airport Commissioners will become final pursuant to the provisions of Los Angeles City Charter Section 373;

NOW, THEREFORE, BE IT RESOLVED that the Board of Airport Commissioners adopted the staff report; further adopted staff's determination that the requested action is exempt from the California Environmental Quality Act (CEQA) pursuant to Article III, Class 1 (18)(c) of the Los Angeles City CEQA Guidelines; approved the one (1)-year Contract with SAP Public Services Inc., with a one (1)-year renewal option, covering software licensing fees and maintenance services for the financial accounting management information system of Los Angeles World Airports, for cost not to exceed \$650,000; and authorized the Chief Executive Officer, or designee, to execute said Contract with SAP Public Services Inc. subject to approval by the Los Angeles City Council and approval as to form by the City Attorney.
