Comments for Public Posting: Hon. Councilmembers: First, I want to thank you for your support of the Open and Slow Streets Program. I also want to thank council members Bob Blumenfield, and Monica Rodriguez for their comments regarding the San Fernando Valley not getting its fair share of resources, such as not enough ****CicLAvia**** events in the San Fernando Valley. As a Valley resident, I feel that the San Fernando Valley does not have enough ****CicLAvia**** in our communities. I urge the City Council and Mayor to do more for the San Fernando Valley. (Councilmember Bob Blumenfield expressed frustration over the funding distribution, highlighting that only one event in the San Fernando Valley (which constitutes 40% of Los Angeles' population) received less than half of the requested funds compared to events in other city locations. He emphasized that open street events are equally important, if not more so, in the Valley). Thank you.
