Comments for Public Posting: Hi, My name is Jason Enright. I am a resident of Council District 2 and a member of LA Forward. I am writing in support of motion 25-1461 to create a procurement process for new contractors for the Unarmed Model of Crisis Response program. Over the course of almost two years, UMCR has demonstrated its effectiveness and efficiency in saving time, saving capacity, saving money, and most importantly, saving lives. For this program to reach its full potential, we need to expand it citywide. Creating this procurement process to find new contractors will help us achieve the goal of citywide expansion quickly and efficiently. Please vote yes on this motion. Thank you, Jason Enright
