Comments for Public Posting: Protect the Olympic Wage and protect fair compensation. Do not let two council members gut the Olympic Age. Los Angeles workers deserve a fair wage, and profits for the Olympics should not be limited to the hands of the few.

Comments for Public Posting: Workers and their families deserve to be fairly compensated for the record profits their labor will draw into our city during the Olympics. Please reject Harris-Dawson and Lee's measure to gut the Olympic Wage and do all you can to ensure a living wage for working class people before, during, and after the Olympics. Thank you.

Comments for Public Posting: Members Harris-Dawson and Lee --- keep your hands OFF the Olympic Wage and demand fair compensation for the working class of this city! The olympic wage is the minimum we deserve.
