Honorable Los Angeles City Council President Harris-Dawson,

I support your effort to stall increasing minimum wages for the Olympics. These increases have the opposite effect. Do not withdraw your motion.

Honorable Los Angeles City Council President Harris-Dawson,

In the middle of the holiday season, you are proposing a more than 20% CUT in the minimum wage for many restaurant workers who work at hotels and delaying needed wage increases for hospitality and airport workers in Los Angeles. Workers fought for an Olympic Wage for more than two years and defeated a multi-million dollar campaign to overturn the law.

As Yvonne Wheeler, president of the Los Angeles County Federation of Labor said “It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city’s lowest-paid workers.” Please withdraw your motion.

Honorable Los Angeles City Council President Harris-Dawson,

I agree with Los Angeles County Federation of Labor President Yvonne Wheeler who said “It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city’s lowest-paid workers” and am appalled you would propose cuts to the minimum wage. Your motion would delay needed wage increases for some of the lowest-paid workers and cut wages by more than 20%, at least \$4.63 / hour for many workers who work in hotel restaurants. Please respect working people and withdraw your motion.

Honorable Los Angeles City Council President Harris-Dawson,

Deciding to delay wage increases and cutting minimum wage in the middle of December will make already-struggling workers like me struggle even more especially in hectic work environments like hotels and restaurants and especially during this holiday season. Please listen to the voices of us workers trying to survive in this economy instead of lobbying business groups and reconsider this change.
