Honorable Los Angeles City Council President Harris-Dawson,

For over two years, tourism workers demanded an Olympic Wage and with the help of Los Angeles voters, defeated a multi-million dollar attempt by some of the world's largest corporations to overturn the law. I am appalled that you now have proposed delaying these needed wage hikes and cutting the minimum wage for many restaurant workers who work at hotels.

I agree with Los Angeles County Federation of Labor President Yvonne Wheeler who said "It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city's lowest-paid workers. These workers fought for more than two years to improve their working conditions, only to have the very people who should defend them try to take it all away." Withdraw your motion.

I agree with Los Angeles County Federation of Labor President Yvonne Wheeler who said “It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city’s lowest-paid workers” and am appalled you would propose cuts to the minimum wage. Your motion would delay needed wage increases for some of the lowest-paid workers and cut wages by more than 20%, at least \$4.63 / hour for many workers who work in hotel restaurants. Please respect working people and withdraw your motion.

Honorable Los Angeles City Council President Harris-Dawson,

In the middle of the holiday season, you are proposing a more than 20% CUT in the minimum wage for many restaurant workers who work at hotels and delaying needed wage increases for hospitality and airport workers in Los Angeles. Workers fought for an Olympic Wage for more than two years and defeated a multi-million dollar campaign to overturn the law.

As Yvonne Wheeler, president of the Los Angeles County Federation of Labor said “It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city’s lowest-paid workers.” Please withdraw your motion.
