Hon. Councilmember Blumenfield,

As an airport worker, I'm so glad that my council member voted for the Olympic Wage and giving tourism workers like myself a needed wage increase! As you know, Council President Harris-Dawson is proposing a more than 20% CUT in the minimum wage for many restaurant workers who work at hotels and the airport delaying needed wage increases for hospitality and airport workers in Los Angeles. Thanks to elected officials like yourself, workers fought for an Olympic Wage for more than two years and defeated a multi-million dollar campaign to overturn the law.

Please defend Olympic Wage.

Dear Los Angeles City Clerk,

I would greatly appreciate it if you can upload the following message to Council File: No. 25-1466

Dear Council President Marqueece Harris-Dawson,

I am outraged to hear that you have submitted a motion to delay wages and healthcare for hotel and airport workers and exclude entire groups of workers only two months after this policy's implementation.

It is disheartening that anyone would propose to take money out of vulnerable workers' pockets and delay their access to family health care right before the holidays.

Perhaps more troubling, this motion is a clear capitulation to extortion. The same corporations - Delta, United, and American Hotel & Lodging Association - that spent nearly \$3 million on a failed referendum bid to delay the Olympic Wage are now cynically wielding a business tax repeal measure as leverage to coerce the City to cut the Olympic Wage or else face a decimated budget. To give in to this absurd corporate demand not only hurts tourism workers and their families; it sets a dangerous precedent that undermines the integrity of the legislative process and jeopardizes any future gains for our communities.

Angelenos will not be bullied into abandoning tourism workers at a time when LA is poised to host the world's largest mega-events. Neither should our City leadership. To side with billionaire corporations would be a betrayal of your constituents, of tourism workers, of our coalition, and of the tens of thousands of Angelenos who made it clear this summer that they wanted to preserve the Olympic Wage.

We urge you to show strength in leadership, preserve the integrity of our legislative process, and withdraw the motion immediately.

Sincerely,  
Ms. Caephren McKenna

Dear Los Angeles City Clerk,

I would greatly appreciate it if you can upload the following message to Council File: No. 25-1466

Dear Council President Marqueece Harris-Dawson,

I am outraged to hear that you have submitted a motion to delay wages and healthcare for hotel and airport workers and exclude entire groups of workers only two months after this policy's implementation.

It is disheartening that anyone would propose to take money out of vulnerable workers' pockets and delay their access to family health care right before the holidays.

Perhaps more troubling, this motion is a clear capitulation to extortion. The same corporations - Delta, United, and American Hotel & Lodging Association - that spent nearly \$3 million on a failed referendum bid to delay the Olympic Wage are now cynically wielding a business tax repeal measure as leverage to coerce the City to cut the Olympic Wage or else face a decimated budget. To give in to this absurd corporate demand hurts tourism workers and their families; additionally, it sets a dangerous precedent that undermines the integrity of the legislative process and jeopardizes any future gains for our communities.

Angelenos will not be bullied into abandoning tourism workers at a time when LA is poised to host the world's largest mega-events. Neither should our City leadership. To side with billionaire corporations would be a betrayal of your constituents, of tourism workers, of our coalition, and of the tens of thousands of Angelenos who made it clear this summer that they wanted to preserve the Olympic Wage.

We urge you to show strength in leadership, preserve the integrity of our legislative process, and withdraw the motion immediately.

Sincerely,  
Mrs. Audrey Lock Blumber  
Los Angeles, 90068-1470

It is unbelievable that anyone would propose to take money out of vulnerable workers' pockets and delay their access to family health care right before the holidays. These folks are working so hard to make ends meet in the midst of a failing economy, and this is a blow that they just don't need.

Honorable Los Angeles City Council President Harris-Dawson,

In the middle of the holiday season, you are proposing a more than 20% CUT in the minimum wage for many restaurant workers who work at hotels and delaying needed wage increases for hospitality and airport workers in Los Angeles. Workers fought for an Olympic Wage for more than two years and defeated a multi-million dollar campaign to overturn the law.

As Yvonne Wheeler, president of the Los Angeles County Federation of Labor said “It is a shameful day in Los Angeles when our own elected leaders decide to put forth a motion to strip hard-earned wages from some of the city’s lowest-paid workers.” Please withdraw your motion.

Perhaps more troubling, this motion is a clear capitulation to extortion. The same corporations - Delta, United, and American Hotel & Lodging Association - that spent nearly \$3 million on a failed referendum bid to delay the Olympic Wage are now cynically wielding a business tax repeal measure as leverage to coerce the City to cut the Olympic Wage or else face a decimated budget. To give in to this absurd corporate demand not only hurts tourism workers and their families; it sets a dangerous precedent that undermines the integrity of the legislative process and jeopardizes any future gains for our communities.

Angelenos will not be bullied into abandoning tourism workers at a time when LA is poised to host the world's largest mega-events. Neither should our City leadership. To side with billionaire corporations would be a betrayal of your constituents, of tourism workers, of our coalition, and of the tens of thousands of Angelenos who made it clear this summer that they wanted to preserve the Olympic Wage.

We urge you to show strength in leadership, preserve the integrity of our legislative process, and withdraw the motion immediately.

Sincerely,  
Leticia Rodriguez

Dear Los Angeles City Clerk,

I would greatly appreciate it if you can upload the following message to Council File: No. 25-1466

Dear Council President Marqueece Harris-Dawson,

I am outraged to hear that you have submitted a motion to delay wages and healthcare for hotel and airport workers and exclude entire groups of workers only two months after this policy's implementation.

It is disheartening that anyone would propose to take money out of vulnerable workers' pockets and delay their access to family health care right before the holidays.

Perhaps more troubling, this motion is a clear capitulation to extortion.
