Comments for Public Posting: I am a resident of West Carson and am very concerned about the JCI facility nearby. I am aware of the deteriorating conditions of this facility, and of their continuing violations. The lack of concern for the welfare of the community is apparent. A catastrophe to the surrounding community is imminent with the condition of, and lack of maintenance that seems to be the status quo for this company. I don't believe that JCI is being held accountable to the surrounding neighborhoods.
