Comments for Public Posting: My name is Matt Brodnick and I am a member of labor union IATSE Local 695 in Hollywood. Tens of thousands of middle class film crew workers, office staff, their family members, and the local small businesses they support depend on the City of Los Angeles to pass these motions today. Our livelihoods and the local economies and tax revenue they generate have been in danger of disappearing altogether from the entertainment capital of the world. These motions you pass today will usher the beginning steps to bring more production work back to LA City and the county as a whole. Thank you for your support.

Comments for Public Posting: Please support this council file to help revitalize the film industry which has been long suffering due to high costs, red tape, the pandemic, and entertainment strikes. This CF 25-1503 Creates a standardized “Certified LA Stage” program with clear safety and infrastructure criteria, guaranteed timelines for approvals, and fast-track zones for stage development and adaptive reuse — tied to worker health coverage requirements. I appreciate your attention to helping entertainment workers get back to work and ensuring LA regain it's title of entertainment capital of the world!
