Comments for Public Posting: Being a resident of Westchester for more than 38 years and located in the Emerson Manor section, the first set of houses on the north runway, I totally support the request to do a complete and comprehensive safety and infrastructure study with respect to LAX proximity, traffic congestion, and the potential implementation of state directed SB 79 within a 2 mile radius of LAX. Residence in this area already suffer from high levels of traffic and with the addition of the potential of SB 79, as identified in a recent publication with respect to LA city committee updates, it shows that a major section within the El Manor area is approved for SB 79, which would only cause more infrastructure strain and potential safety issues to the Neighbor
