Council File No: 25-1508

Comments for Public Posting: Please support this council file to help revitalize the film industry which has been long suffering due to high costs, red tape, the pandemic, and entertainment strikes. This CF 25-1508 requires City departments to make most non-specialized parking lots, yards, and staging areas available to productions for \$1/day, unless exclusive use, staffing, or safety concerns apply. Departments must update fee schedules and add underused properties to FilmLA's location system. I appreciate your attention to helping entertainment workers get back to work and helping LA regain it's title of entertainment capital of the world!
