Comments for Public Posting: Dear Councilmember Jurado, I am a Downtown Los Angeles resident writing to urge you to oppose certain proposed provisions in Motion (10) 25-1509-S1 of the "Keep Hollywood Home" package; specifically clauses 1.a.i., 1.a.ii., 1.a.iii and Clause 2, which would "exempt" Downtown from residential filming surveys, eliminate signature requirements for base camps, and rescind all existing Neighborhood Special Filming Conditions that provide essential protections to our community. Downtown is home to over 90,000 residents. We live here — in lofts, condos, and apartments — and we deserve the same basic courtesies extended to residents everywhere else in the city: advance notice when a film production is coming to our block, as well as. Residential surveys are not an obstacle to filming. They are a simple, reasonable tool that gives residents a heads-up and a point of contact. Removing them from Downtown doesn't streamline anything. It just leaves us in the dark. And rescinding the Neighborhood Special Filming Conditions leaves us at the mercy of the production companies by removing essential safeguards regarding the placement of generators and restrooms, as well as strict limits on the hours for filming, setup, and teardown activities. Removing these legacy protections would effectively permit 24-hour filming activity in our residential streets, creating an environment of constant disruption that is incompatible with a livable neighborhood. These provisions do not only singularly target and disempower your DTLA constituents, but risk exposing them to potential harm. We strongly support a thriving film industry in Los Angeles. But not at the expense of the welfare of those of us who call Downtown Los Angeles home. Please vote NO on Motion (10) 25-1509-S1 Clauses 1.a.i., 1.a.ii., 1.a.iii and Clause 2. Sincerely, Lauren Pettit Film Committee Chair, Rowan Lofts 460 S. Spring Street #207 Los Angeles, CA 90013

SUBJECT: "Keep Hollywood Home" Initiative, Council File Number 25-1509-S1

DATE: Tuesday, March 3, 2026

Dear City Councilmembers,

My name is Anita To, a resident at 257 S Spring Street, the Douglas Building. Our building is surrounded by open parking lots and parking structures which the production companies frequently use as base camps and crew parking. Along with our neighboring buildings, the Higgins and the Pan Am, we have worked with FilmLA to set up guidelines and protocols to maintain reasonable residential living conditions when filming occurs – this is what the city council refers to as Legacy guidelines. It took years of both positive and negative experiences and ongoing communication to create these guidelines. Now the city council proposes tossing them away. Why was there no timely community outreach to the DTLA community regarding this initiative which directly impacts the livability of our neighborhood?

The neighborhood guidelines we established are sensible. Most of the production companies have had no problems following them. We have specifically requested (1) not to have generators placed under our windows or by our buildings, (2) to be mindful regarding the location of catering trucks and toilets, (3) not to have backup beepers going off in the early morning, and (4) to allow and maintain access to our building when streets are closed. These are all reasonable requests. DTLA is home to 90k plus residents. We deserve to be recognized and our living conditions respected.

Living in DTLA, I receive numerous film notices per week – not 1 or 2 but sometimes as many as 10 or more. My neighbors and I support filming that is respectful of our neighborhood and allows us to maintain our quality of life. Surveys provide a chance for residents to raise concerns and work out solutions with filming and production companies. Surveys are not obstacles. They are open and candid communications that make everyone's life easier which in turn generates support for the film industry.

Sincerely,

Anita To, Film Liaison and Board Member – The Douglas

Council File No: 25-1509-S1

Comments for Public Posting: Dear Councilmember Jurado, I am a Downtown Los Angeles resident writing to urge you to oppose certain proposed provisions in Motion (10) 25-1509-S1 of the "Keep Hollywood Home" package; specifically clauses 1.a.i., 1.a.ii., 1.a.iii and Clause 2, which would "exempt" Downtown from residential filming surveys, eliminate signature requirements for base camps, and rescind all existing Neighborhood Special Filming Conditions that provide essential protections to our community. I shouldn't have to write this. I thought it reasonable to assume you had the interests of the DTLA residents at heart. Unfortunately that doesn't appear to be the case. Downtown is home to over 90,000 residents. We live here — in lofts, condos, and apartments — and we deserve the same basic courtesy extended to residents everywhere else in the city: advance notice when a film production is coming to our block, as well as. Residential surveys are not an obstacle to filming. They are a simple, reasonable tool that gives residents a heads-up and a point of contact. Removing them from Downtown doesn't streamline anything. It just leaves us in the dark. And rescinding the Neighborhood Special Filming Conditions leaves us at the mercy of the production companies by removing essential safeguards regarding the placement of generators and restrooms, as well as strict limits on the hours for filming, setup, and teardown activities. Removing these legacy protections would effectively permit 24-hour filming activity in our residential streets, creating an environment of constant disruption that is incompatible with a livable neighborhood. These provisions do not only singularly target and disempower your DTLA constituents, but risk exposing them to potential harm. We strongly support a thriving film industry in Los Angeles. But not at the expense of the welfare of those of us who call Downtown Los Angeles home. Please vote NO on Motion (10) 25-1509-S1 Clauses 1.a.i., 1.a.ii. , 1.a.iii and Clause 2. Finally, It would really be nice if you started to respect and treat the DTLA residents as a community that is growing and here to stay. We will remember those who protected our interests and those who did not.
Sincerely, Juan Lossada 257 S Spring Street PhF
