An ordinance of intention to levy and collect Proposition K annual assessments for fiscal year 2026-27 for City of Los Angeles Landscaping and Lighting District No. 96-1.

**WHEREAS**, on November 5, 1996, voters in the City of Los Angeles approved Proposition K (also known as the L.A. for Kids Program), which authorized the formation of City of Los Angeles Landscaping and Lighting District No. 96-1 (District) and approved the levy and collection of an annual assessment of \$25 million within the District for a period of thirty (30) years for the purpose of funding the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, for parks, open spaces, and recreation and community facilities;

**WHEREAS**, the Los Angeles City Council on January 21, 2026, adopted a resolution instructing the City Engineer to prepare a report and ordinance of intention pursuant to the provisions of the Landscaping and Lighting Act of 1972 (California Streets and Highways Code Sections 22500 – 22679); and

**WHEREAS**, the total net amount proposed to be assessed in the District for fiscal year 2026-27 is not an increase from the amount authorized by Proposition K.

**NOW, THEREFORE,**

**THE PEOPLE OF THE CITY OF LOS ANGELES  
DO ORDAIN AS FOLLOWS:**

Section 1. The City Council hereby declares its intention to determine that the public interest, convenience and necessity require the levy and collection of assessments for the fiscal year 2026-27 in City of Los Angeles Landscaping and Lighting District No. 96-1, to provide funding for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, for parks, open spaces, and recreation and community facilities in the District.

Sec. 2. The City Council hereby adopts, approves, and confirms the Engineer's Report, which includes the L.A. for Kids Steering Committee ONE YEAR PLAN, the A LIST of the improvement projects, and the diagram for the District and the Assessment; orders the report be filed with the City Clerk; and sets the matter for public hearing as specified herein in Section 8. The L.A. for Kids Steering Committee ONE YEAR PLAN (Plan) specifies in detail which acquisitions and improvements are planned for fiscal

year 2026-27, and describes the locations of the improvements to be funded by the District. The A LIST of the Plan includes projects planned for fiscal year 2026-27. All projects on the A LIST are subject to environmental analysis pursuant to the California Environmental Quality Act (CEQA), and the environmental analysis process has already been completed or will be completed prior to adoption of the ordinance ordering confirmation, levy and collection of annual assessment or as required by law. A Categorical Exemption, Environmental Impact Report, Mitigated Negative Declaration, or Negative Declaration has been or is being prepared, and a Notice of Exemption or Notice of Determination has been or will be filed when applicable. The Engineer's Report also describes the boundaries of the Assessment District, and the method and rationale for spreading the proposed assessment in proportion to the benefit received by each lot or parcel of land within the District. The Engineer's Report is incorporated herein as though set forth in full.

Sec. 3. The City Council hereby reaffirms that the boundaries of the City of Los Angeles Landscaping and Lighting District No. 96-1 shall be coterminous with the boundaries of the City of Los Angeles. Every lot or each parcel of land within the City boundaries shall be included in the District.

Sec. 4. The City Council hereby declares that the public interest, convenience, and necessity require, and that it is the intention of the City Council to order, that the expense necessary for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, for parks, open spaces, and recreation and community facilities, including repairs, replacement, utilities, care, supervision, and all other items necessary for proper maintenance and operation of the Assessment District improvements shall be assessed upon each lot or parcel of land lying within the District in proportion to the estimated benefits received from the improvements.

Sec. 5. The City Council hereby declares that the amounts to be assessed for the expense of such acquisition of land or land and improvements, and of the development, improvement, restoration, and maintenance of improvements funded by the District, shall be levied and collected at the same time and in the same manner and by the same officers as County property taxes are levied and collected. All laws providing for the collection and enforcement of County property taxes shall be applied to the collection and enforcement of the assessments, and all assessments collected shall be disbursed and expended for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, for parks, open spaces, and recreation and community facilities in the District, all as described in the Engineer's Report.

Sec. 6. The City Council hereby declares that any lot or parcel of land owned by a public agency such as a city, County, State and the federal government, will not be assessed except when such property is not devoted to a public use. Rights-of-way that are owned by public utilities and railroad operating rights-of-way are also exempt from assessment.

Sec. 7. The City Council hereby declares that the proceedings for the levy and collection of assessments of the aforesaid District shall be in accordance with the State of California Landscaping and Lighting Act of 1972 (California Streets and Highways Code Sections 22500 – 22679).

Sec. 8. The City Council hereby sets a public hearing on the day of May 26, 2026, at the hour of 10:00 a.m., or as soon thereafter as City Council business permits, and on any hours and days for continued hearing as ordered by the City Council, in the John Ferraro Council Chamber, Room 340, City Hall, 200 North Spring Street, Los Angeles, California, as the time and place when and where any and all persons having any objections to the levy and collection of the assessments for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, for parks, open spaces, and recreation and community facilities for the District, may appear before the City Council and show cause why the expense of the acquisition of any land or land and improvements, developing, improving, restoring, and maintaining these improvements, and the installation and construction of any facilities necessary or convenient to the District, should not be assessed as described and proposed herein.

Sec. 9. Written Protest; Grounds; Withdrawal: Any interested person may, prior to the conclusion of the public hearing, file a written protest with the City Clerk or, having previously filed a protest, file a written withdrawal of that protest. A written protest shall state all grounds of objection. Protest by a property owner shall contain a description sufficient to identify the property owned by that person.

Sec. 10. The City Clerk shall cause the notice of the public hearing, in the form and manner specified in Section 6061 of the California Government Code, to be published in a newspaper published at least once a week and circulated in the City of Los Angeles, which is hereby designated for that purpose. The publication of notice shall be completed at least ten calendar days before the public hearing date.
