

RESOLUTION NO. 28259

WHEREAS, on recommendation of Management, there was presented for approval, First Amendment to Contract DA-5602 with Amadeus Airport IT Americas Inc. to extend the term through December 31, 2028, with two (2) one-year renewal options, and increase the contract authority by \$402,781, for new total not to exceed \$777,781, covering software license and maintenance support for the PropWorks revenue invoicing system of Los Angeles World Airports; and

WHEREAS, the PropWorks software serves as the foundation for the revenue invoicing and collections system of Los Angeles World Airports (LAWA). Said software is critical for managing the airport's financial operations, including customer invoicing and collections, aviation statistics, and other operational data. Fully integrated with SAP, it enables seamless transmission of revenue invoices to SAP's General Ledger via a business application programming interface. It also supports the management of contractual terms and provisions within revenue agreements; and

WHEREAS, Contract DA-5602 is expiring on December 31, 2025. Discontinuation of the software would pose significant risks to LAWA's ability to perform vital airport functions such as revenue billing, data maintenance, statistical analysis, and operational reporting; and

WHEREAS, as the software is and has been fully and critically integrated with SAP and serves as the foundation for certain LAWA systems, sole awards were the only feasible way to perform functions relevant to what PropWorks serves. A future competitive process is being evaluated; and

WHEREAS, the First Amendment would allow for continued use of said proprietary system and ensures that LAWA's Financial Management Division can maintain control over essential financial processes, receive timely system updates and patches, and access high-level technical support when needed; and

WHEREAS, the cost for license fees will be \$109,937.94, and the cost for optional services is projected at \$292,842.50 over a three (3)-year calendar period; and

WHEREAS, funding is available in the Fiscal Year 2025-2026 LAWA Operating Budget in Cost Center 1190010 – RAMS Section, Commitment Item 520 – Contractual Services. Funding for subsequent years will be requested as part of the annual budget process; and

WHEREAS, actions taken on this item by the Board of Airport Commissioners will become final pursuant to the provisions of Los Angeles City Charter Section 373;

NOW, THEREFORE, BE IT RESOLVED that the Board of Airport Commissioners adopted the staff report; further adopted staff's determination that the requested action is exempt from the California Environmental Quality Act (CEQA) pursuant to Article II, Section 2.f of the Los Angeles City CEQA Guidelines; approved the First Amendment to Contract DA-5602 with Amadeus Airport IT Americas Inc. to extend the term through December 31, 2028, with two (2) one-year renewal options, and increase the contract authority by \$402,781, for new total not to exceed \$777,781, covering software license and maintenance support for the PropWorks revenue invoicing system of Los Angeles World Airports; and authorized the Chief Executive Officer, or designee, to execute said First Amendment to Contract DA-5602 with Amadeus Airport IT Americas Inc. subject to approval by the Los Angeles City Council and approval as to form by the City Attorney.
