REQUEST FOR LINKAGE FEE REFUND FROM 409 NORTH LLC

Honorable Members:

In accordance with the Los Angeles Municipal Code (LAMC) §§ 22.12 and 22.13, the Los Angeles Department of Building and Safety (LADBS) requests your approval of refund for claim number 179247 in the amount of \$83,315.94.

On June 30, 2025, the Los Angeles Department of Building and Safety (LADBS) received a payment in the amount of \$120,294.34 from 409 NORTH LLC (Claimant) under Building Permit No. 20010-20000-01611 for the project located at 409 N. Alta Vista Blvd, Los Angeles, CA 90036 ("Project"). The claimant submitted a refund request on September 19, 2025, related to the Linkage Fee. Building permit # 20010-20000-01611 was issued with incorrect scope of work of 2-story single family dwelling with attached JADU where an incorrect linkage fee of \$83,315.94 was collected. A supplemental permit was issued under 20010-20001-01611 to revise the scope of work to 2-story new duplex where the correct linkage fee of \$7,100.16 was collected. LADBS Engineering Bureau staff determined that the Claimant is entitled to a refund in the amount of \$83,515.94. Attached are supporting documents regarding the claim for refund.

Should you have any questions regarding this matter, please contact the LADBS Chief Accounting Employee at (213) 482-6782. Thank you for your consideration.

Sincerely,

for 

Osama Younan
General Manager

PERMIT EXPIRATION/REFUNDS: This permit expires two years after the date of the permit issuance. This permit will also expire if no construction work is performed for a continuous period of 12 months (Sec. 98.0602 LAMC). Claims for refund of fees paid must be filed within one year from the date of expiration for permits granted by LADBS (Sec. 22.12 & 22.13 LAMC). The permittee may be entitled to reimbursement of permit fees if the Department fails to conduct an inspection within 60 days of receiving a request for final inspection (HS 17951).

17. OWNER-BUILDER DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the following reason (Section 7031.5, Business and Professions Code). Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500):

I, as the owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year from completion, the owner-builder will have the burden of proving that he or she did not build or improve for the purpose of sale).

OR

I, as the owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions Code). The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the Contractors License Law.)

18. WORKERS' COMPENSATION DECLARATION

I hereby affirm, under penalty of perjury, one of the following declarations:

I have and will maintain a certificate of consent to self insure for workers' compensation, as provided for by Section 3700 of the Labor Code, for the performance of the work for which this permit is issued.

I have and will maintain workers' compensation insurance, as required by Section 3700 of the Labor Code, for the performance of the work for which this permit is issued. My workers' compensation insurance carrier and policy number are:

Carrier: _____ Policy Number: _____

I certify that in the performance of the work for which this permit is issued, I shall not employ any person in any manner so as to become subject to the workers' compensation laws of California, and agree that if I should become subject to the workers' compensation provisions of Section 3700 of the Labor Code, I shall forthwith comply with those provisions.

WARNING: FAILURE TO SECURE WORKERS' COMPENSATION COVERAGE IS UNLAWFUL, AND SHALL SUBJECT AN EMPLOYER TO CRIMINAL PENALTIES AND CIVIL FINES UP TO ONE HUNDRED THOUSAND DOLLARS (\$100,000), IN ADDITION TO THE COST OF COMPENSATION, DAMAGES AS PROVIDED FOR IN SECTION 3706 OF THE LABOR CODE, INTEREST, AND ATTORNEY'S FEES.

19. ASBESTOS REMOVAL DECLARATION / LEAD HAZARD WARNING/SILICOSIS ACKNOWLEDGEMENT / UNIVERSAL WASTE

20. FINAL DECLARATION

I certify that I have read this application INCLUDING THE ABOVE DECLARATIONS and state that the above information INCLUDING THE ABOVE DECLARATIONS is correct. I agree to comply with all city and county ordinances and state laws relating to building construction, and hereby authorize representatives of this city to enter upon the above-mentioned property for inspection purposes. Good morning John,

Please reference the attached file. John, should the refund recommendation for claim 179247, linkage fee, be denied or approved? The refund recommendation form on question number 6 it was answers with a "no", but then the statement reads, "A supplemental permit was issued under 20010-20001-01611 to revise the scope to new Duplex and Linkage Fee was collected for that scope of work, OK for refund."

Should I resend the claim in the system for a re-review?

Thank you
