Council File No: 25-4118-S16

Comments for Public Posting: I support this resolution and urge all council members to support it as well. It is time for these individuals to accept resources offered by the city many times. They have no business riding their bikes and going into our front and back yards to steal our property. They have created so much nuisance with their noise, fires, illegal activity, wire theft, electricity and water theft. We can't leave our houses alone to visit relatives or for vacation for fear that we will come back to find our houses ransacked. This is a safety issue! We want to be safe in our own houses. The city provides cleanups of the areas, but the locations go back to the same mess as soon as the city employees leave. We have to constantly call 311 to have them pick up the homeless trash and their bulky items. We do this at least three times a week for the same locations. This is overwhelming! Vote yes on this resolution that Sun Valley wants and needs!
