Summary:

On October 2, 2026, your Rules, Elections and Intergovernmental Relations Committee considered an August 4, 2026 Resolution (Rodriguez – Blumenfield), relative to the LA Alliance MOU that requires the County to assist individuals with severe mental illness. According to the Resolution, the prolonged occupancy of City-funded interim housing beds by individuals awaiting County placement reduces bed turnover, diminishes the capacity of those beds to serve additional unsheltered Angelenos, and directly impedes the City's ability to meet its obligations under the settlement agreement. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Rules, Elections, and Intergovernmental Relations Committee
