Comments for Public Posting: I'm writing in strong support of the motion to offer a reward of up to \$50,000 for information leading to the arrest and conviction of whoever is responsible for the death of Eric Washington. Mr. Washington was a true asset to our community. Through his work with the Housing Authority of the City of Los Angeles, he helped families find stable housing. Through HACLA's World Cup Youth Tournament, he gave young people a place to come together, compete, and belong. The community deeply feels his loss, and he deserves justice. I respectfully urge the Council to adopt this motion.
