

MOTION

PUBLIC WORKS

The Council Discretionary Street Furniture Fund provides funds for transit related projects, sidewalk projects, curb / sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as for general services to the community.

The Sunset Heights Neighborhood Association, formerly known as the Doheny Sunset Plaza Neighborhood Association, undertook an Adopt-a-Median project at the traffic island on the west side of the street at the intersection of Selma Avenue and Crescent Heights Boulevard, with the Laurel Canyon Land Trust acting as its fiscal 501(c)(3) sponsor. This project added new landscaping and trees and repaired the existing irrigation system. Costs increased for the project due to additional irrigation requirements required by the Bureau of Street Services. As part of the Adopt-a-Median agreement, the Sunset Heights Neighborhood Association (SHNA) will be supplementing existing maintenance from Bureau of Street Services staff, representing an ongoing financial commitment to the beautification of a public space.

Due to the increased costs on the project, the SHNA faces a funding shortfall for the project. This project is of special benefit for the residents of the City and for Council District 4 and as such it deserves financial assistance from the City in order to close this funding gap.

I THEREFORE MOVE that \$13,863.88 from the Council District 4 portion of the Street Furniture Revenue Fund No. 43D, Dept. 50 be utilized to pay the Sunset Heights Neighborhood Association through its fiscal sponsor, the Laurel Canyon Land Trust, to close the funding gap for the implementation of the Adopt-a-Median project located at the traffic triangle on the west side of the street at the intersection of Selma Avenue and Crescent Heights Boulevard and that the Board of Public Works, Office of Accounting be authorized to make any payment to the Laurel Canyon Land Trust in the above amount for the above purpose, and to prepare and process any other document as may be required for this purpose.

I FURTHER MOVE that the Bureau of Street Services and/or the Board of Public Works, Office of Accounting be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.
