Case Number(s): Council Files No. 26-0047, 26-0047-S1, and 26-0047-S2

I respectfully submit this letter to:

Support the Little Tokyo Community Council's ("LTCC") appeal of the City Planning Commission's approval of Vesting Tentative Tract Map No. 82974-CN-HCA, and

Request the Planning and Land Use Management Committee deny all other requested entitlements and approvals for the proposed Fourth and Central ("Cold Storage") Project ("the Project").

I also express strong support for LTCC's comprehensive community comment letter.

CITY CLERK'S OFFICE

Hi,
I do not live in Little Tokyo, but I am close to a handful of its residents & care a lot about this place as a storied community w/ the history of the Japanese Americans & other people of color who have lived here. This is a project that the community does not want & will do more harm to the ppl here than good.

I urge the Planning and Land Use Management Committee to grant LTCC's appeal, overturn the City Planning Commission's approval of Vesting Tentative Tract Map No. 82974-CN-HCA, and deny all other related entitlements and approvals. Our community urges, as it has continued to urge the Developer since March 2022, that the Planning and Land Use Management Committee require that the Project is developed consistent with DTLA 2040 and with meaningful community engagement, reflecting the true needs of the community members who will be most impacted by the Project. Do not build this mall.

Respectfully,
Isami Si
