On or before expiration of such ninety (90) day period, Buyer will deliver written notice to Seller either (i) accepting the Property, which acceptance shall only be conditioned upon satisfaction of Buyer's Closing Conditions, or (ii) terminating this Agreement. If Buyer fails to give either notice, Buyer will be deemed to have accepted the Property and elected to proceed with the purchase of the Property.
- 6.5. Access to Property. Buyer acknowledges that it is thoroughly familiar with the Property and that it has exclusively occupied and used the Property as a parking lot for more than forty-six (46) years. As part of its Due Diligence, Buyer may investigate economic, financial, and accounting matters relating to or affecting the Property or its value, and conduct inspections, tests and studies with respect to the physical and environmental condition of the Property and Seller recommends that Buyer do so. Buyer and Buyer's consultants, agents, engineers, inspectors, contractors, and employees ("Buyer's Representatives") will be given reasonable access to the Property for the purpose of performing such Due Diligence. Buyer will undertake the Due Diligence at its sole cost and expense. Buyer will indemnify and hold the Indemnitees harmless, and at the option of the City, defend the Indemnitees

with counsel satisfactory to the City, from any and all Claims arising from the acts or activities of Buyer or Buyer's Representatives in, on, or about the Property during or arising in connection with Buyer's inspections of the Property. This indemnity shall survive the expiration or termination of this Agreement and the delivery of the Deed and the Closing.

- 6.6. Assumption of Risk. Subject to the other provisions of this Agreement, Buyer agrees that it assumes the risk that an adverse condition of the Property may not have been revealed by its own Due Diligence. Buyer agrees that Seller will have no obligation to repair, correct, or compensate Buyer for any condition of the Property, including contamination, the presence of Hazardous Substances or Release of Hazardous Substances, defects in the Improvements, noncompliance with applicable laws including, without limitation, zoning laws, building codes, and the Americans with Disabilities Act, whether or not such condition of the Property would have been disclosed by Buyer's Due Diligence.

in connection with Buyer's tenancy, ownership, use, and/or occupancy of the Property up to and including the date of Closing, and/or performance of any obligation under this Agreement. Buyer shall not settle any claim without the prior written approval of Seller. Seller shall not unreasonably withhold such approval. This indemnity shall survive the expiration or termination of this Agreement and the delivery of the Deed and the Closing.

7.2.3. Environmental Indemnity. Buyer, on behalf of itself and its successors and assigns, further undertakes and agrees to indemnify and hold the Indemnitees harmless, and at the option of the City, defend the Indemnitees with counsel satisfactory to the City, from and against any and all Claims that are incurred by or asserted against the Indemnitees as a result of or in connection with (a) Buyer's failure to comply with any Environmental Law; (b) the Release of Hazardous Substances on, under, or from the Property; or (c) the presence of Hazardous Substances on or under any other properties, lands, or waters as a result of the Release of Hazardous Substances or other acts, errors, or omissions by Buyer or Buyer's officers, employees, agents, contractors, customers, guests, invitees, or lessees. Buyer's environmental indemnification obligations shall exist regardless of any negligence on the part of Indemnitees, except for the sole negligence or willful misconduct of the Indemnitees. Further, Buyer's environmental indemnification obligations shall apply and be effective for all accidents, occurrences, and events that give rise to Claims, even if the Claims are asserted against the Indemnitees after Closing. The Indemnitees' right to indemnification under this Section 7.2.3 shall be in addition to any other rights or remedies that the Indemnitees have under law or under other provisions of this Agreement. This indemnity shall survive the expiration or termination of this Agreement and the delivery of the Deed and the Closing.

and with faults” and specifically and expressly without any warranties, representations or guarantees, either express or implied, of any kind, nature, or type whatsoever from or on behalf of Seller with respect to all facts, circumstances, conditions and defects; (c) Seller has specifically bargained for the assumption by Buyer of all responsibility for past, present, and future actual and potential liability with the Property of any kind, source and/or nature and for Buyer’s assumption of all responsibility to inspect and investigate the Property and of all risk; (d) Buyer is and will be relying strictly and solely upon such inspections and examinations and the advice and counsel of its own consultants, agents, legal counsel and officers, and Buyer is and will be fully satisfied that the Purchase Price is fair and reasonable consideration for the Property and any or all known and unknown actual or potential liabilities associated with it; (e) Seller is not making and has not made any warranty or representation with respect to any materials or other data provided by Seller to Buyer (whether prepared by or for Seller or others) or the education, skills, competence or diligence of the preparers thereof or the physical condition or any other aspect of all or any part of the Property as an inducement to Buyer to enter into this Agreement and thereafter to purchase the Property or for any other purpose; and (f) by reason of all the foregoing, Buyer assumes the full risk of any liability, loss or damage occasioned by any fact, circumstance, condition or defect pertaining to the Property. Seller hereby disclaims all warranties of any kind or nature whatsoever (including warranties of condition, merchantability, habitability and fitness for particular purposes) whether expressed or implied, including, but not limited to, warranties with respect to the Property, Tax liabilities, zoning, land value, subdivision or land use, availability of access or utilities, ingress or egress, governmental approvals, or the soil conditions of the Property. Buyer further acknowledges that Buyer is buying the Property “as is” and in its present condition and that except as otherwise expressly provided in this Agreement, Buyer is not relying upon any representation of any kind or nature made by Seller, or any of its employees or agents with respect to the Property, and that, in fact, no such representations were made except as expressly set forth in this Agreement. Further and without in any way limiting any other provision of this Agreement, Seller makes no warranty with respect to the presence of Hazardous Substances on or under the Property (or any parcel in proximity thereto), or the Release of Hazardous Substances on, under, or from the Property. By acceptance of this Agreement and the Deed, Buyer acknowledges that Buyer’s opportunity for inspection and investigation of the Property has been adequate to enable Buyer to make Buyer’s own determination with respect to the presence of Hazardous Substances on or under the Property (or any parcel in proximity thereto), and as to any Release of Hazardous Substances on, under, or from the Property. Furthermore, the Closing hereunder shall be deemed to constitute an express waiver of Buyer’s and its successors’ and assigns’ rights to sue Seller and of Buyer’s right to cause Seller to be joined in an action brought under any Environmental Law. Buyer and Seller intend for Section 7.2 and this Section

7.3 to be construed as an agreement made in accordance with 42 U.S.C. § 9607(e) and California Health and Safety Code § 25364.

- 7.4. General Release. Without in any way limiting the generality of the preceding paragraphs, Buyer, on behalf of itself, its successors and assigns, specifically acknowledges and agrees that it forever waives, releases and discharges any claim it has, might have had or may have against Seller, with respect to the Property or the condition of the Property, any and all known and unknown, either patent or latent, actual and/or potential liabilities associated with the Property and the compliance with any Environmental Law, or occupational protection, subdivision or land use laws or requirements or liability for violations thereof, and any other state of facts which exist with respect to the Property. Buyer waives the benefit of California Civil Code Section 1542, which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

- 9.4.3. Buyer will pay all of the costs associated with Buyer obtaining a Title Policy.
 - 9.4.4. Taxes will be prorated at the Closing based upon the latest Tax bill and notice increases and adjustments, if any. If any real estate or special Taxes, charges or assessments have not been fully assessed or computed as of the Closing Date for the current fiscal year of the taxing authority, then the same shall be adjusted on a preliminary settlement statement prepared by Escrow Holder and submitted, together with reasonably detailed supporting documentation based upon the most recently issued bills therefor and the parties hereto agree to a re-adjustment outside of the escrow when final bills are issued.

ARTICLE 10

10. Damage or Destruction; Condemnation

10.1. **Damage or Destruction.** If the Property or any portion of it is damaged or destroyed before the Closing Date from any cause whatsoever, whether an insured risk or not, including, but not limited to, fire, flood, accident or other casualty which, according to the Buyer's and Seller's best estimate, would cost more than ten percent (10%) of the Purchase Price to repair, Buyer shall have the option, upon written notice to Seller, to either (i) terminate this Agreement; or (ii) proceed with the Closing without modifying the terms of this Agreement and without reducing the Purchase Price. Buyer must exercise its option as provided in this Section 10.1 within ten (10) days after notice of such damage or destruction. If Buyer elects to terminate this Agreement pursuant to this Section 10.1, (i) any and all sums and interest accrued thereon and documents deposited in escrow shall be returned to the party who respectively deposited the same in escrow without further instruction from either party to this Agreement, and (ii) any title and escrow fees incurred shall be paid by Buyer.

Seller may not negotiate, resist, or stipulate to any Condemnation without Buyer's written consent, which shall not be unreasonably withheld or delayed. Buyer must exercise its option as provided in this Section 10.2 within ten (10) days after notice of such Condemnation. If Buyer elects to terminate this Agreement pursuant to this Section 10.2, (i) any and all sums and interest accrued thereon and documents deposited in escrow shall be returned to the party who respectively deposited the same in escrow without further instruction from either party to this Agreement, and (ii) any title and escrow fees incurred shall be paid by Buyer.
