Council File No: 26-0088-S2

Comments for Public Posting: I am writing to urge the City Council to advance meaningful reforms to Measure ULA — reforms that fix what is broken while preserving what voters intended. WHAT NEEDS TO BE FIXED TO ENCOURAGE NEW HOUSING: Lowering the overall tax rate imposed upon non-single-family properties — apartment buildings and mixed-use developments — would encourage more new housing. I urge you to move forward with meaningful reform. Thank you for your time and your service to our city.
