RE: COUNCIL FILE TRANSMITTAL

On April 14, 2026, the Planning and Land Use Management Committee considered two reports from the Los Angeles Department of Building and Safety (LADBS), dated February 6, 2026, and February 24, 2026, relative to proposed rate Fee Updates for Permit Related Services, Council file No. 26-0163. After consideration, and having provided an opportunity for public comment, the Committee moved to approve the following recommendations:

1. AUTHORIZE the LADBS to take the necessary steps to implement the recommended changes to the Los Angeles Municipal Code (LAMC) and any associated code sections to update the fees as shown in revised Attachment A, List of Fees and Recommended Changes of the LADBS report dated February 24, 2026.
2. REQUEST the City Attorney to prepare and present an ordinance amending various sections of the LAMC and any associated code sections to update the fees as shown in revised Attachments A (List of Fees and Recommended Changes) and B (Building and Safety User Fee Study) of the LADBS report dated February 24, 2026.
3. DIRECT relevant departments, as needed, to assist the LADBS with the implementation of the fee adjustments outlined in the LADBS report dated February 24, 2026.
4. AUTHORIZE the LADBS to make technical changes as needed to implement Mayor and City Council intentions.

This file is now transmitted to the Budget and Finance Committee.
