

RECOMMENDED AMENDMENTS BY COUNCIL DISTRICT 10

ADD the following recommendations to the Motion:

1. REQUEST the City Attorney’s Office, with the assistance of the Department of Building and Safety and City Planning Department, to report back with a legal analysis of the revenue share, fine structure, regulatory authority to regulate a market when the City is a participant, and any other potential issues of liability and/or constitutionality as outlined in the motion prior to final consideration of the ordinances;

B. INSTRUCT the City Planning Department to report to the Citywide Planning Commission (CPC) with a report and recommendations on both potential ordinances for CPC and Council consideration; and,

C. INSTRUCT the CAO, with the assistance of the Department of Building and Safety and City Planning Department, to report back with a budget and staffing analysis and recommendations to enhance and support pro-active code enforcement against illegal on-site signage.
