Comments for Public Posting: Please approve Bob Blumenfield's Motion submitted as Council File 26-0184. We desperately need our protections back, and our neighborhood and it's fragile ecosystem protected. The Girard Tract is in a VHFHSZ, and should not be subject to the high density building provisions of AB 2011, AB 2243 and AB 893 that endanger our community and wildlife. We respectfully ask the PLUM Committee to wholeheartedly approve this motion.
