

TRANSPORTATION COMMITTEE REPORT relative to Interstate 110 (I-110)/Gaffey Street incident response and infrastructure communication protocols.

Recommendation for Council action, pursuant to Motion (McOsker – Jurado):

NOTE and FILE the Department of Transportation (DOT) report dated July 31, 2026, attached to the Council file, relative to an overview of the DOT's response and communication protocols during the I-110/Gaffey Street incident, including a detailed timeline of the incident, an assessment of current electronic notification procedures, and an inventory of mobile traffic control devices used to support the DOT's response, inasmuch as it is for information only and no action is required.

Fiscal Impact Statement: Not applicable

Community Impact Statement: Yes

For: Northwest San Pedro Neighborhood Council

Summary:

On August 12, 2026, your Transportation Committee considered a July 31, 2026 DOT report relative to I-110/Gaffey Street incident response and infrastructure communication protocols. According to the report, on February 18, 2026, a fallen power pole caused a full closure of I-110 near Gaffey Street in San Pedro. After consideration and having provided an opportunity for public comment, the Committee moved to note and file the DOT report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
