Comments for Public Posting: I am writing to urge the City Council to adopt Councilmember Blumenfield's motion to amend Municipal Code Section 12.24 W 37 and disallow public parking by Conditional Use Permit within Agricultural zones. Protecting our sensitive hillside communities and Very High Fire Severity Zones from unintended consequences of interactions of laws at different levels of government is both a matter of urgent public safety and sound planning policy. Being good stewards of our amazing city for future generations is the best practice. Thank you.
