

**MOTION**

FOR THE CITY OF LOS ANGELES  
APR 14 2026  
#88

As part of the effort to develop beneficial collaborations between the City of Los Angeles and the philanthropic community, the Office of the Mayor established an Office of Strategic Partnerships, as was done during the administration of Mayor Antonio Villaraigosa. Operating as a division within the Mayor's Office, the Office of Strategic Partnerships provides a source of leadership in uniting philanthropic partners and community and civic leaders to extend the reach of important social, educational, environmental or other vital public benefit programs that serve our common constituencies.

The Annenberg Foundation, the Ballmer Group, the Broad Foundation and the Conrad N.Hilton Foundation will contribute in the aggregate \$334,000 annually for each of the next two fiscal years to help offset the cost to operate the Office of Strategic Partnerships. Harbor Freight Tool Foundation, LLC contributed \$327,520 last fiscal year to offset operating costs of the Office of Strategic Partnerships. Funds were and will be received by Community Partners, the fiscal sponsor for the Office of Strategic Partnerships.

I THEREFORE MOVE that the City Council accept the generous donations of \$334,000, as described above, and direct that the funds be deposited to the General Fund and appropriated therefrom to Mayor Fund No. 100-46, Account No. 1010 (Salaries – General), and that the Office of the Mayor, with the assistance of the City Attorney, be authorized to make any necessary technical corrections to accomplish the intent of this action.
