^(e) Fee is based on the actual cost. DCR shall calculate actual costs in accordance with LAMC Section 104.19(f).

^(h) Fee is charged per inspection trip. If DCR determines that, in addition to the routine inspections pursuant to this article or the Rules and Regulations, additional inspections or abatement actions are required to process an application or enforce compliance with this article or the Rules and Regulations, the Applicant or Licensee shall pay separate fees for each inspection.

^(m) Fee is charged per violation, pursuant to the Rules and Regulations.

(f) **Actual Cost.** In addition to the fees expressly set forth in this article, DCR may charge an Applicant or Licensee for full or partial reimbursement of the actual costs associated with the City's processing of applications, licenses, compliance, enforcement, or related services which requires another City department, a City contractor, or unusually heavy commitments of DCR resources.

1. Actual Cost shall be charged for certain services identified in LAMC Section 104.19, or costs related to enforcement actions pursuant to LAMC Section 104.13 when a hearing officer finds that a Licensee committed one or more violations of this article or the Rules and Regulations. Actual Cost includes, but is not limited to: wages, including overtime, retirement, compensated time off

and other benefits, bureau or divisional overhead, departmental overhead and general City overhead, which are incurred in connection with the employees assigned to perform the services, the direct costs of material and equipment required to furnish the services, the reasonable out-of-pocket expenses incurred by any employee assigned to furnish the services, costs of investigation and enforcement activities to address violations of this article including reasonable attorney's fees, and the cost of hiring outside consultants necessary to provide the City with special expertise.

2. Actual Cost may be charged for Commercial Cannabis Activity services not expressly enumerated in this article provided DCR and the Applicant or Licensee agree upon the processing services required, including but not limited to environmental reviews, and the personnel, time and physical resources the City requires to accomplish those processing services.

3. The Applicant or Licensee shall deposit funds into the Cannabis Regulation Special Revenue Trust Fund based on the estimated costs of providing the processing services.

4. DCR shall promptly advise the Applicant or Licensee if, at any time during the processing period, DCR believes that the costs of accomplishing the processing services will exceed the estimated costs. DCR and the Applicant or Licensee shall agree to a procedure for deposit of additional funds if the funds deposited are not adequate to fund the agreed upon processing services.

5. DCR shall maintain appropriate records of the actual costs of the processing services, prepare a report for the Applicant or Licensee upon completion of processing services, and refund any unused portion of the deposit to the Applicant or Licensee.

6. Entering into the processing service agreement is voluntary.

(g) **Filing Fee Credit.** At DCR's sole discretion, an Applicant or Licensee may be allowed credit for fees already paid when DCR determines that the Applicant or Licensee made a good-faith attempt to file the application, modification request, or other request for service properly and that the process could be more appropriately handled if filed under a different procedure. This subdivision shall not be construed to allow credit to be given at the Applicant or Licensee's option, nor to allow refunds of any fees paid on the original application or request for service.

Sec. 2. **SEVERABILITY.** If any provision of this ordinance is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, that invalidity shall not affect the remaining provisions of this ordinance, which can be implemented without the invalid provisions and, to this end, the provisions of this ordinance are declared to be severable. The City Council hereby declares that it would have adopted each and every provision and portion thereof not declared invalid

or unconstitutional, without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

Sec. 3. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.
