

ADOPTED BUDGET RECOMMENDATION

Instruct the Department of Cannabis Regulation (DCR), with the assistance of the Chief Legislative Analyst, to report to the Government Operations Committee on potential funding sources within the Department that can be used for a dedicated cannabis enforcement unit, including the additional tax revenue collected from unlicensed businesses, should the ballot measure be approved by voters, or funding from current expenditures that are no longer required to be an ongoing obligation of DCR. The report should also address the staff and resources necessary for a dedicated cannabis enforcement unit.
