

## ADOPTED BUDGET RECOMMENDATION

Instruct the Community Investment Department to report to the Civil Rights, Equity, Immigration, Aging and Disability Committee on all special funds that are historically tied to or are administered by the Department of Aging, Economic and Workforce Development Department, and Youth Development Department, including a categorization of each fund as: 1) immediately deployable under existing authority, 2) deployable with Council action, or 3) legally restricted or not deployable, with clear explanations of any constraints. The report should include the current balance, the uncommitted balance, and the last expense recorded for each fund.
