

ADOPTED BUDGET RECOMMENDATION

Instruct the Bureau of Sanitation to report to the Energy and Environment Committee on the impact of increasing composting within the City and the savings that could be generated from ending the transportation of material outside of the City, including savings in fees, fuel, transportation, staff, and other costs.

(Pursuant to Council Action of June 24, 2026; Council file No. 26-0600-S21)
