Comments for Public Posting: Allocate more money to animal shelters and DPFL. Our tax dollars should not be going to your bloated salaries and to pay out lawsuits against the police.

Comments for Public Posting: Fully fund the medical supplies necessary to have EVERY shelter stocked with drugs and medical supplies to keep all animals healthy! Also, fully fund the pet food they need for the year without depleting the donation fund!!! Audit for accuracy and stop taking funds from other areas! Animal welfare is HiGH on our list of government care!! We count on you to handle our tax dollars with reverence and responsibility to HELP ANIMALS in your care! Stop underfunding and stealing from other funds! All the money lost to fraud of humans should help see that animals need the money more than thieving humans!
