**Comments for Public Posting:** Are you kidding me!! What is wrong with people who think this is normal? Not providing food that keeps these animals alive is a slow, torture. How about you take some of the money you use on illegals, build a train to nowhere or high salaries for people who don't know what the hell they are doing and do the right thing. Democrats are evil to the core. This must not be allowed to happen. God save the poor animals who will suffer.
