Comments for Public Posting: So many hundreds of animal welfare workers doing the job of the city for free on our own time and own dime. Angelenos are sick of stray animals suffering, while hard fought laws are not enforced to protect them and reduce the population. These actions and inactions are teaching the next generation how to treat the most vulnerable among us and we will reap those benefits. Let's not be monsters..... Fully fund LA Animal Services at \$31.8 million Restore funding for dog and cat food and medical supplies Fully fund the spay/neuter voucher program Restore the Dogs Playing For Life program Approve the historic Best Friends Animal Society and ASPCA partnership
