REVISED

Honorable Members of the Los Angeles City Council
City Clerk
City Hall, Room 39

UNCLAIMED MONIES IDLE IN THE SIDEWALK AND TREE MAINTENANCE ASSESSMENT FUND

Dear Honorable Members:

On September 29, 2025, the Bureau of Street Services (StreetsLA) requested an escheatment of \$1,384,940.00 from the Sidewalk and Tree Maintenance Assessment Fund that remain idle (Fund No. 304) to the City's General Fund. This money has remained unclaimed for three years and is therefore eligible for transfer in accordance with the notification requirements of the City of Los Angeles Administrative Code Section 5.112 and current state law.

BACKGROUND

The State of California Government Code Section 50050-50055 provides that any money remaining unclaimed in the City Treasury for three years or more may become the property of the City after publication of a notice, provided that within the specified period of time, no verified complaint seeking to recover all or a designated part of the money is filed in a court of competent jurisdiction.

Attached herewith is StreetsLA's request to escheat monies from Fund No. 304 dated September 29, 2025, the Office of the City Clerk's proof of publication advertisements dated February 12, 2026, and the subsequent notice and publications executed on February 19, 2026. These notices stated that on April 13, 2026, funds which were seized over three years ago as of August 22, 2024, would become property of the City. Per the City Council's instructions (CF No. 04-2206-S1), the Office of Finance has reviewed the escheatment eligibility and publication notices.

RECOMMENDED ACTION

In accordance with the authority of the State Government Code and City of Los Angeles Administrative Code, it is recommended that City Council, subject to approval of the Mayor, should:

1. INSTRUCT the Bureau of Street Services and the City Treasurer to process the sum of \$1,384,940.00 from the Sidewalk and Tree Maintenance Fund No. 304; and
2. REQUEST the Controller to TRANSFER all identified eligible monies to the City's Reserve Fund.

If you require any additional information, please contact Saul Romo, Director of Treasury Services, Office of Finance at (213) 978-1733.

Sincerely,

Diana Mangioglu
Director of Finance
Finance/City Treasurer

SUBJECT: **ESCHEATMENT OF FUNDS**

In accordance with California Government Code Sections 50050 through 50055, the Bureau of Street Services (StreetsLA) has reviewed the status of monies in the Sidewalk and Tree Maintenance Assessment Fund (Fund 304) in coordination with the Controller's Office, and has determined that \$1,384,939.91, in idle funds appropriated over 20 years ago, can escheat to the Reserve Fund. The monies reflect appropriations in fiscal years 1987 and 2002.

Please process the escheatment from the Sidewalk and Tree Maintenance Assessment Fund (Fund 304). Attached is the Controller's memo to StreetsLA dated April 3, 2024, and a detailed listing of the accounts and amounts to be escheated.

If you have any questions or concerns, please contact Rose Karagezyan, Financial Management Division, at (213) 453-1362.

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

SUBJECT: RECOMMENDATION TO TRANSFER \$1.4 MILLION IDLE IN FUND #304 TO THE RESERVE FUND

The City Charter requires the Controller to verify and report to the Mayor and Council on the condition of all City funds. On July 13, 2023, this Office released a report on the status of idle Special Purpose Funds (Idle Special Funds) with no activity for two or more years (C.F. 23-0758). As part of our ongoing monitoring of Idle Special Funds, we identified the Sidewalk and Tree Maintenance Assessment Fund (Fund #304), as being an Idle Fund administered by the Bureau of Street Services (Bureau). This Fund has been idle for more than three years and **as of August 22, 2024, it had a cash balance of \$1,968,762**. We believe a portion of this amount could be escheated and transferred to the Reserve Fund immediately.

After working with your staff and the City Attorney's Office, we determined that **\$1,384,940** of the balance is escheatable, per California Government Code Sections 50050-50055. This amount relates to old, inactive and disbanded assessment districts with custody dates close to 20 years.

In light of the current City's General Fund budget crisis, we recommend that the Bureau take the following actions to address the idle cash balance in Fund 304:

1. Submit a request to the Office of Finance's Treasury Services to escheat **\$1,384,940** in accordance with California Government Code Sections 50050-50055; and transfer this amount **to the Reserve Fund**.
2. Work with the Board of Public Works' Office of Accounting to cancel appropriations and/or disencumber outstanding encumbrances in the FMS related to disbanded assessment districts, under Budget Fiscal Year (BFY) 1987, BFY 1991 and BFY 2002 in Fund 304.
3. After the Reserve Fund transfer, submit an expenditure plan to utilize the remaining \$583,822 for maintenance projects within the Wilshire Miracle Mile Assessment District, and/or for potentially other street maintenance purposes.

BACKGROUND

Maintenance Districts

In 1972, the Council passed the Sidewalk and Tree Maintenance Ordinance to provide maintenance of sidewalks and trees in public streets with the assessments paid by property owners benefitting from the maintenance (Ordinance 143220). Fund No. 304 was established to account for revenues and expenditures related to the assessment districts.

According to the Bureau, of all assessment districts that were established, only Wilshire Miracle Mile Assessment District is still active. All other districts have been disbanded decades ago. The City's Financial Management (FMS) shows the last expenditure recorded in this Fund in 2021 was for sidewalk maintenance within the Wilshire Miracle Mile District.

Escheatment per California Government Code

California Government Code Section 50050-50055 provides that any money (excluding restitution to victims) remaining unclaimed in the City Treasury or in the official custody of its officers for three years or more may become the property of the City after publication of a notice, provided that within the specified period of time, no verified complaint seeking to recover all or a designated part of the money is filed in a court of competent jurisdiction. Furthermore, Government Code Section 50053 permits the legislative body to transfer these monies to the City's General Fund.

The City Attorney agrees that the provisions of Government Code section 50050 et seq. applies in this case since it has been more than three years since these assessment districts were abandoned, and the City was unable to refund the money pursuant to Charter Section 6.324.1.

According to the Bureau, there are no payment or administrative records for maintenance districts formed more than 30 years ago. As such, it is unclear when the relevant assessment was abandoned or discontinued based on existing information. According to the City Attorney, the City can reasonably estimate the abandoned/discontinued date by adding three years to the last known financial record date. Using this approach, the period of time is well beyond the required three years of custody by the City after being unable to refund the money. Therefore, this Office recommends that the Bureau works with the Office of Finance to transfer to the Reserve Fund, a total of \$1,384,940 related to the disbanded districts.

Remaining Cash Balance after Escheatment

After escheatment, there would be still be \$583,822 remaining in the Fund. This balance relates to the only remaining active district, the Wilshire Miracle Mile Assessment District. We encourage the Bureau to develop an expenditure plan to utilize the available balance for projects within the Wilshire Miracle Mile District or for other related maintenance purposes.
