

ITEM 11 (CF 26-0757): Amendment

I THEREFORE MOVE that the Chief Administrative Officer (CAO), with support from the Department of City Planning's Office of Forest Management, **the Bureau of Street Services.** and the City Attorney, report back with an analysis of options to in-source, contract, and/or otherwise sustainably fund the functions currently performed by City Plants, including recommendations for a more efficient and streamlined structure to support the City's urban forest goals.
